Examples of Photography Work

Add up to 6 pages of pictures you have taken for your project. Place the pictures on the pages neatly with not more than four small photographs on each page. The following pictures should be included:

1. The picture you consider “the best” of all you have taken this year.
2. The best picture you have taken of a person this year.
3. The best picture you have taken of a landscape this year.
4. Any others you may want to include
