

## Bid Specifications for LaRue County Extension Service Drainage Project

**Project Location:** LaRue County Extension Service, 807 Old Elizabethtown Rd., Hodgenville, KY.

### Scope of Work:

#### Site Assessment:

Conduct a site survey to identify problem areas and evaluate existing drainage systems.

#### Design & Recommendations:

Based on your site assessment, develop a drainage improvement plan that may include:

- Installation & repair of downspouts.
- Adding drains to direct the flow of water from the building.
- Modifications to the slope of the landscape to ensure proper runoff.
- Re-grading of areas prone to pooling.
- Adding rock in problem areas including around HVAC units.

Also to be included is the addition of a sidewalk along the north side of the building and around the corner to be in front of the door.

#### Work Schedule:

The work should be completed within eight weeks after the contract is awarded, weather permitting.

#### Bid Submission:

Please submit bids along with three references for similar projects completed in the last five years to the LaRue County Extension Office by 4:30 p.m. on May 30, 2025.

Bids may be dropped off at the address above or mailed to P.O. Box 210, Hodgenville, KY 42748.

#### Bid Contact:

The property may be viewed during office hours by scheduling with Misty Wilmoth at 270-358-3401 or by email to [mwilmoth@uky.edu](mailto:mwilmoth@uky.edu).

The LaRue County Extension District Board reserves the right to reject any and all bids or to accept the best evaluated bid.
