

Bid Specifications for LaRue County Extension Service Front Office Roof Replacement

Project Location: LaRue County Extension Service, 807 Old Elizabethtown Rd., Hodgenville, KY.

Specifications:

We are accepting bids on the removal and replacement of the roof on the front office building of the Extension Office. Shingles should match the shingles that are on the back portion of the building and will need to be approved by Extension District prior to starting. Shingles should be 30 year grade. Bids should include all materials and labor as well as removal and disposal of the old roof. Contractors must be fully insured and provide proof of insurance with bid.

Work Schedule:

The work should be completed within eight weeks after the contract is awarded, weather permitting.

Bid Submission:

Please submit bids along with three references to the LaRue County Extension Office by 4:30 p.m. on May 30, 2025. Bids may be dropped off at the address above or mailed to P.O. Box 210, Hodgenville, KY 42748.

Bid Contact:

The property may be viewed during office hours by scheduling with Misty Wilmoth at 270-358-3401 or by email to mwilmoth@uky.edu.

The LaRue County Extension District Board reserves the right to reject any and all bids or to accept the best evaluated bid.
